Project Fair Registration Data Base

This data base is provided free of charge by the Northeast Ohio STEM Alliance, Inc. (**NEOHSTEM**) to facilitate the completion of the documentation necessary for registration for the regional STEM Project Fair. **NEOHSTEM** is always working to improve the usability of the forms database and does not warrant the database to be problem free. If you encounter a problem, you must contact **NEOHSTEM** in a timely manner. **NEOHSTEM** will provide workshops to aid users in completion of this documentation. However, the user is *solely* responsible for the completion of all necessary forms prior to the *deadline for registration*. All projects lacking completed paperwork will be *disqualified* from participation in the regional STEM Project Fair.

Promotion to District Science Day

NEOHSTEM will provide the students of all projects judged as Superior at the regional STEM Project Fair with the paperwork required to apply for advancement to the District Science Day. It is *solely* the responsibility of the students to complete and submit the paperwork to the District Science Day for consideration. Please be aware that *all students* must be present at the District Science Day as prescribed in the Ohio Academy of Science (<http://www.ohiosci.org/>) - Science Day Standards. The District Science Day committee has *sole discretion* regarding the acceptance of projects for participation. **NEOHSTEM** does not participate in this decision process.

Promotion to Northeast Ohio Science & Engineering Fair (NEOSEF)

Individual school districts determine the criteria for selection for advancement to NEOSEF. Please check with your teacher/administrator for further information. **NEOHSTEM** will assist in the process when called upon by a school district.

Data base users hold **NEOHSTEM** harmless in all matters related to these *Terms & Conditions*.
